Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Monday 22 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Settled conditions continue with some sunny spells today.

Today:
Mostly dry throughout the day with a chance of a few fog patches in the morning and some frost. Often cloudy but sunny spells will break through at times. Maximum temperature 13 deg C (55 deg F).

Tonight:
Remaining dry with a mixture of cloud and clear spells across the region. There is a risk of fog patches forming under clear skies. Minimum temperature 5 deg C (41 deg F).

Tuesday:
Breezier and largely cloudy on Tuesday with a chance of some patchy drizzle in the west. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Outbreaks of rain on Wednesday. Scattered showers on Thursday with a risk of hail and thunder. Friday will see stronger winds and further showers, with possible hail and thunder.
